

Section A

Practical work completed during the course

This section is **compulsory**.
Answer **all four** parts of the question.

At the beginning of your answer, state the title of your piece of practical work.

Question 1

Choose a piece of practical work in which you have made a contribution as an actor, **or** a designer **or** a technician as part of your course.

- a. Describe the style and genre of the piece, your target audience, the chosen performance space, the use of technical and design elements and what you did as your contribution. (*10 marks*)

- b. Explain what the first ideas for the piece were and give details of how you and your group developed them. (*10 marks*)

- c. Analyse what improvements you made to the piece during the rehearsals and your reasons for making them. (*10 marks*)

- d. Evaluate what you felt were the strengths and weaknesses of your own practical skills in the final performance. (*10 marks*)
