Dear Parents/Carers

I am writing to inform you that we have started a "breakfast club" in the school canteen from 8.15am to 8.40am. The aim is to provide breakfast for children who, for whatever reason, have been unable to have something to eat early in the morning.

Due to the change in the structure of the school day where lunchtime is now 15 minutes later than last year, we felt that this would be of great benefit to some of our children. They would still need to use the biometric system as normal and ensure that there was enough money on their account for the breakfast purchases.

I have been assured by the canteen staff that there will be a variety of breakfast foods available, but that this would depend on demand. Currently, we have the following items on offer:

Hot drinks, including coffee and hot chocolate  
Cold drinks  
Toast  
Croissants  
Crumpets

We hope that this service will be useful to your child and we will monitor its success during the course of the year.

Thank you for your support.

Yours faithfully
