

St Gabriel's

Roman Catholic High School

29 April 2019

Dear Parents / Carers

Following communication with you in February regarding the reinforcement of the behaviour and uniform policies, I would like to thank the majority of parents, carers and pupils who have complied with the raising of our standards. This has contributed to the improvement towards meeting the St Gabriel's expectations.

Today, all students have been given clarity within their form time, on the few areas that need tightening up. The priority is to ensure learning is the main priority and that no valuable learning time is lost where pupils are not meeting these expected standards.

I would ask for your continued support to ensure your child does not bring jewellery or hoodies into school and to give consideration as to whether they need to take their coat to school.

Please could you refresh yourself with the uniform and mobile phone policies, which can be found on the school website. There has been no change to the policies that you agreed to when your son/daughter entered St Gabriel's. Any future changes to policies will be communicated with you.

Again, the vast majority of our children are a great credit to themselves and to you, and we do expect the same high standards from all and will be consistently enforcing the policies and subsequent sanctions.

If you have any difficulty regarding uniform or need clarity before purchasing items, please contact the relevant Head of Year.

I would greatly appreciate your continued support in these matters.

Yours faithfully

JM Roberts
