

St Gabriel's

Roman Catholic High School

4 February 2020

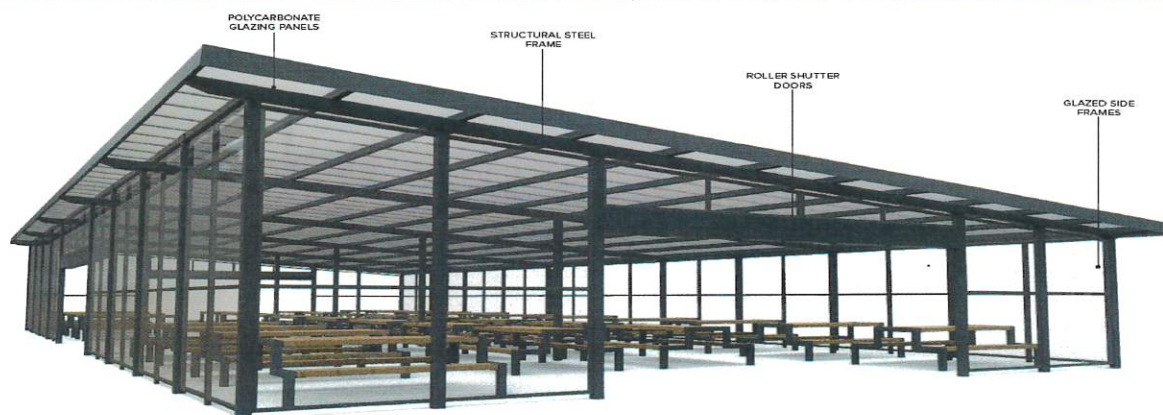

Dear Parent/Carer,

I write to inform you that following ongoing talks with the council, road calming measures will now be put in place on the road which passes between the main building and the John Banks building. We thank the council for their response to our concerns. Despite the fact that this is a minimally used road, our students' safety is paramount to us.

Also, following two most recent parents evenings, the one query we seem to repeatedly receive is about lack of activities in school. We do have a whole range of opportunities in school and would like to draw your attention to the following, which will be uploaded onto our website imminently. The list of opportunities is constantly growing, so please encourage your child to participate. Also coming very soon are the cadets. Watch this space!

Update...here is the plan for our dining hall canopy extension

Proposal for St Gabriels Issued 22-1-20

Kindest regards and thank you for your ongoing unwavering support.

Yours sincerely
