

November 2020

Dear all,

As you are aware Year 11 parents' evening was unfortunately cancelled, consequently we have prepared a set of short film clips to help parents keep up to date with what your child has been studying and what they need to do to prepare for their mock exams.

Please use the links below to find out more about our various subjects and remember that it is **vital that your child treats these exams as if it were their actual GCSEs. If the government move to Centre Assessed Grades, their mock results will be fundamental to their final grade.** It is realistic to expect a child to make a full grade progress from mocks to finals, but unusual to make more than this. Therefore, your child should be aiming to achieve minimally 1 grade below their target grade to ensure that if we do move to Centre Assessed Grades, we are able to say they achieved their target grades.

Please remember, your child is being assessed on work which has been delivered in school, not work delivered during the lockdown which may still need strengthening, so they should be achieving no less than 1 grade below target and there is nothing to stop them exceeding their targets!

Year 11 mocks start Monday 23<sup>rd</sup> November. Good luck to all our Year 11s!!
