HEALTH AND SAFETY POLICY STATEMENT

The Governors of our school are committed to safeguarding the health, safety and wellbeing of our staff, pupils and visitors. This Policy reflects our dedication to creating and maintaining a safe learning environment.

Our commitment is to:

- Develop and embed a health and safety culture that recognises the importance and value of effective management.
- Comply with all relevant statutory requirements.
- Provide a safe working and learning environment by effectively managing all significant risks to prevent accidents and work-related ill health.

- Consult with staff at all levels on health and safety management and encourage active participation.
- Set objectives to continuously improve our health and safety performance.
- Ensure adequate resources are available to support health and safety management.
- Provide appropriate safety and health information and training, ensuring staff are only allocated tasks commensurate with their skills.
- Monitor and review our policies to ensure effectiveness.

We all have a personal responsibility to act in a safe manner at all times and to ensure that others do likewise.
