Provider Access Policy Statement

Provider access policy statement

Under Section 42B of the Education Act 1997, as of 2 January 2018, we have a duty to provide pupils in years 8-13 with access to providers of post-14, post-16 and post-18 education and training. This policy statement sets out how we manage access requests from these providers.

What are pupils entitled to?

Pupils must be allowed to:

- Learn more about technical education qualifications and apprenticeship opportunities, as part of a careers programme which informs pupils of the full range of education and training options available to them at each transition point.
- Hear from a range of local providers about the opportunities on offer, for example, technical education and apprenticeships – this can be achieved through options evenings, assemblies, group discussions, and taster events.
- Understand how to apply to the full range of academic and technical courses available to them.

Who handles our access requests?

Any provider wishing to request access should contact our careers leader, [Cheryl Drury](mailto:DruryC@st-gabriels.org.uk), on 0161 764 3186 or via email on: DruryC@st-gabriels.org.uk.

Who should providers contact to discuss events and options?

Providers can speak to our careers leader, Cheryl Drury, to discuss possible attendance at relevant events.

Our Safeguarding Policy outlines the school's approach to allowing providers into school to speak to our pupils.

What are the rules for granting and refusing access requests?

We will grant access requests that meet the following criteria:

- The encounter has information from and/or presentation which offers impartial careers advice.
- The encounter has information from and/or presentation that does not lead to major disruption of the school's academic timetable.
- The encounter provides an opportunity to learn about what work is like or what it takes to be successful in the workplace.
- The encounter is requested to take place within a reasonable timescale.

We will refuse any access request that:

- The encounter has information from and/or presentation which is not impartial careers advice.
- The encounter has information from and/or presentation that causes major disruption of the school's academic timetable.
- The encounter provides does not offer the opportunity to learn about what work is like or what it takes to be successful in the workplace.
- The encounter is requested to take place in an unreasonable timescale.

What can providers expect once a request has been accepted?

Once we have approved a provider, we will work with them to identify the best method for providing access to our pupils.

We will make the school hall, classrooms and private meeting rooms available to host discussions between providers and pupils. We will also make presentation equipment, such as projectors and televisions, available to providers.

Arrangements will be discussed in advance between our careers leader and a nominated member of the provider's team.

Can providers leave prospectuses for pupils to read?

Providers are welcome to leave a copy of their prospectus and other relevant course literature with the school reception for the attention of Miss Drury.
